主席的話Chairman's Words

各位尊敬的贊助人、合作夥伴、義工朋友及社會各界人士：

過去一年，對香港導盲犬服務中心而言，是充滿挑戰，同時亦見證著豐碩成果的一年。我謹代表機構執行委員會，衷心感謝每一位在過去十二個月裡，以不同方式支持我們的朋友。正是因為有您們的同行，我們才能在堅守使命的道路上，持續邁進。

在核心的導盲犬服務方面，我們從未停下優化與強化的腳步。我們深知，一隻訓練有素的導盲犬，是視障朋友重獲自主生活的「眼睛」與夥伴。因此，本年度我們進一步加強了與服務使用者的緊密聯繫，細心聆聽他們的聲音，確保服務能切合實際需要。與此同時，我們投放了大量資源在專業人才的培訓上，包括安排導盲犬訓練員及導盲犬導師進行持續進修，提升團隊的專業水平，以國際級標準培育本地的導盲犬。此外，為了確保服務的可持續性，我們亦積極為種犬庫引入新力軍，為未來孕育更多出色的導盲犬做好準備。我們更於年內有幸在香港主辦了AGBN（亞洲導盲犬育種網絡）的國際性會議，匯聚各地專家交流經驗，這不但標誌著我們的工作獲得國際認同，更促進了業界的聯繫與發展。

與此同時，我們的友伴犬服務亦取得了令人鼓舞的進展。服務內容、質素以至服務對象的範圍均不斷發展及趨向成熟。我們尤其欣喜地看到，「友伴犬駐院舍服務」已成功建立起來，讓犬隻的溫暖和無條件的愛，走進安老院舍，為長者們的生活帶來無數歡笑和心靈上的慰藉。這項服務的深化，證明了動物輔助介入能為社會上不同有需要人士帶來正面影響。在本年度內，我們的友伴犬團隊成功為37間安老院舍及學校提供70次探訪服務，並為兩家安老院舍提供友伴犬駐院服務。

當然，我們亦必須坦誠面對當中的挑戰。維持穩定而優質的服務，背後需要穩健的財政支持。作為一個沒有政府恆常資助的機構，我們在財政狀況上仍需時刻保持警覺。每一分毫的營運開支，包括犬隻的照料、訓練員的薪酬、設施的維護，都有賴社會各界的慷慨捐助。因此，籌集足夠資金以確保服務不中斷，仍然是我們未來工作的重要一環。

香港導盲犬服務中心的服務發展，在社會上有目共睹。我們不僅致力提供優質的導盲犬和友伴犬服務，更時刻關注社會脈搏與需要。我們深信，要建構一個真正共融和關愛的社會，需要每一位市民的參與。我們將繼續與本港市民攜手，不單為視障朋友開拓更廣闊的出行之路，也為有情緒需要的長者，以至社會各階層人士，提供適切到位的服務。

展望未來，我們充滿信心與希望。憑著團隊的專業、服務使用者的信賴，以及各位善長人翁的持續支持，我們定能克服困難，讓中心的工作更上一層樓，為香港社會編織一個更溫暖、更包容的未來。
在此，謹向每一位支持者致以最誠摯的謝意。

主席的話Chairman's Words

Dear Esteemed Patrons, Partners, Volunteers, and Members of the Community,

The past year has been both challenging and rewarding for the Hong Kong Guide Dogs Association. On behalf of the Executive Committee, I extend my sincere gratitude to everyone who has supported us in different ways. Your commitment enables us to continue advancing our mission.

In our core guide dog services, we remained focused on enhancing quality and strengthening user engagement. A well-trained guide dog is an essential partner for a visually impaired person, and therefore we continued investing in professional development for our trainers and instructors, raising our standards to international levels. To ensure long-term service sustainability, we also expanded our breeding programme by introducing new breeding dogs. A highlight of the year was hosting the AGBN (Asia Guide Dog Breeding Network) international conference in Hong Kong, marking significant industry recognition and fostering regional collaboration.

Our companion dog services also made notable progress. The service scope, quality, and beneficiary reach all continued to grow. We are particularly pleased with the successful establishment of the "Companion Dog in Residence" programme, which brings comfort and emotional support to elderly home residents. Over the year, our team conducted 70 visits to 37 elderly homes and schools, and provided resident companion dog services to two elderly homes.

As a self-funded organisation without regular government support, financial sustainability remains a key challenge. Every operating cost—from dog care to staff training and facility upkeep—depends on the generosity of our supporters. Securing stable funding will continue to be essential to maintaining uninterrupted, high-quality services.

Our work and impact are increasingly recognised across society. Beyond providing guide dog and companion dog services, we remain committed to addressing diverse community needs and promoting an inclusive, compassionate Hong Kong. Together with the public, we aim to enhance mobility for visually impaired individuals and offer meaningful support to people across all walks of life.

Looking ahead, we remain confident. With our team's professionalism, the trust of our service users, and your continued support, we will overcome challenges and achieve new milestones—building a warmer and more inclusive future for our city.

With heartfelt thanks,

Hong Kong Seeing Eye Dog Services

Ice 唔只係一隻導盲犬，更係我生命中最溫柔可靠嘅小夥伴。佢平時安靜專注，眼神裡卻閃耀住自信同溫暖，好似一盞燈默默照亮我前行。無論係街上定屋企，佢都細心咁照顧我嘅需要。佢會帶我避開障礙物，提醒我注意安全，每一次拖住佢，我都感受到安心同信任。

喺工作中，Ice冷靜而專業。馬路邊、樓梯、斜路前，佢總會停低，轉頭望住我，好似用眼神提醒我要小心。即使身處人群，佢依然能安全帶我走過，令我可以放心依靠。

等車、搭車、喺餐廳休息嘅時候，佢就會乖乖趴喺我身邊，守護得安靜而貼心。佢嘅專注同耐性，令我明白咩叫真正嘅陪伴。

Ice喺屋企就展現出佢嘅單純可愛、為食又鍾意撒嬌。佢會偷偷望住我，好似問緊可唔可以俾零食我食咁，然後乖乖企喺度尾巴不停搖，眼睛閃閃發亮。嗰份童真同期待，喺我嘅生活添上樂趣，嗰刻我感受到 Ice 唔只係好嘅小助手，更係親人。

同 Ice 一齊生活之後，令我真正明白陪伴嘅意義。佢係眼睛嘅延伸，亦係我哋彼此嘅依靠。遇到困難唔再係問題，因為有佢喺身邊，佢既能帶我前行，又能帶俾我溫暖同快樂。佢嘅存在日復日比我安心同力量，每次拖住佢我都覺得自己唔係孤單一個。

Ice 係最特別嘅，佢嘅真誠、可愛、專注，令我每日都充滿力量去迎接生活。佢教識我陪伴原來唔需要言語，只要真誠同信任，就足以跨越黑暗迎向光明。Ice 能夠守護喺我身邊，又像個天真可愛嘅小朋友；既係導盲犬，亦係家人。佢喺我生命裡，是一份無可取代的存在。」

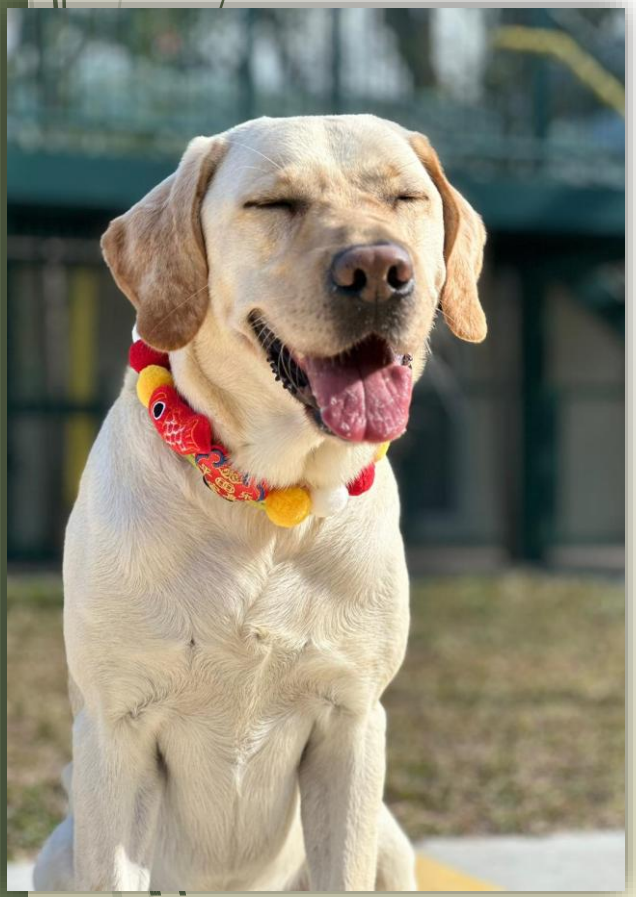
Ice is not just a seeing eye dog, but the gentlest and most reliable companion in my life. Quiet and focused by nature, Ice's eyes always shine with confidence and warmth—like a silent light guiding my way forward. Whether on the streets or at home, Ice attentively looks after my needs. Ice guides me around obstacles, reminds me to stay safe, and every time I hold the harness, I feel a deep sense of trust and reassurance.

At work, Ice remains calm and professional. At roadsides, staircases, or slopes, Ice always pauses and looks back at me, as if reminding me to be careful. Even in crowded places, Ice can lead me safely through, allowing me to move with confidence.

When waiting for transport, riding on public transit, or resting in a restaurant, Ice lies quietly by my side—steadfast and thoughtful. Ice's focus and patience have shown me the true meaning of companionship. At home, Ice reveals a pure, playful, food-loving, and affectionate side. Ice will sneak glances at me as if asking for a treat, then stand there wagging eagerly, eyes sparkling with anticipation. That childlike joy adds warmth and fun to my daily life. In those moments, I feel that Ice is not only a capable helper, but also family.



Living with Ice has taught me the real meaning of companionship. Ice is my extended vision, and we rely on each other every day. Challenges no longer feel daunting, because Ice is always beside me—guiding my steps, bringing comfort and happiness. Ice's presence gives me strength and peace of mind, day after day. Every time I hold onto Ice, I know I am never alone.

Ice is truly special—sincere, adorable, and dedicated—giving me the courage to embrace each new day. Ice has shown me that companionship needs no words; sincerity and trust are enough to cut through darkness and move toward the light. Ice protects me like a loyal partner and brings joy like a playful child. Ice is both a seeing eye dog and a cherished family member—an irreplaceable presence in my life.

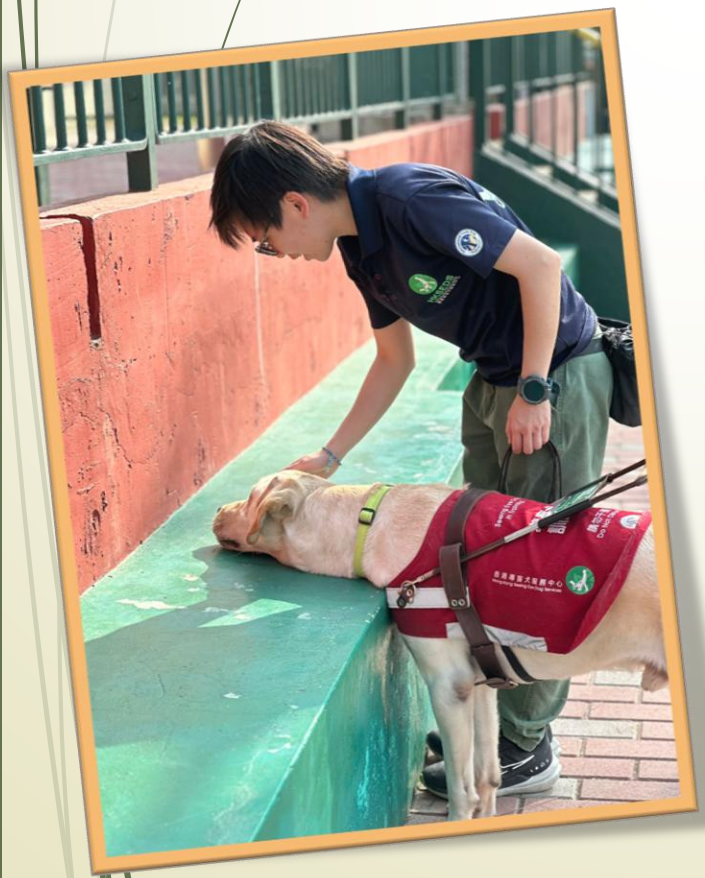
我於 2016 年中在 Pet Show 上首次認識 香港導盲犬服務中心這個慈善機構。當時有幸認識恩師 Raymond 以及訓練員 Brenda，並開始對導盲犬服務有更深入的了解。透過與他們的交流，我逐漸認識到導盲犬不僅是視障人士的重要夥伴，更肩負着協助他們獨立出行、融入社會的重要使命。

當時，我認為帶同導盲犬出入不同場所既新鮮又富意義。然而，隨着認識加深，我了解到這些看似輕鬆的外出，其實正是導盲犬訓練過程中不可或缺的一環。導盲犬需要透過實地接觸不同環境、人群、交通工具及各種聲音，進行持續的訓練與學習，從而培養穩定的情緒、專注力及良好的社會化能力，逐步適應社會生活，為將來服務視障人士作好準備。

正因如此，我開始立志成為一名導盲犬訓練員。其後，我積極參與中心的各項活動，成為義工，從實踐中累積經驗，並加深對導盲犬服務的理解。直到 2017 年底，我正式加入香港導盲犬服務中心，擔任文職人員，從行政及支援層面進一步認識導盲犬服務背後的運作與付出。

至 2019 年，我有幸跟隨 Raymond 老師學習導盲犬訓練，正式踏上專業訓練之路。在訓練過程中，我接觸過多隻性格各異的狗隻，每一隻都有不同的特質與學習節奏，為訓練工作帶來不少挑戰。這段經歷讓我深刻體會到，導盲犬訓練不僅需要專業知識與技巧，更需要耐心、細心與同理心，因材施教，循序漸進地引導牠們成長。



在陪伴與訓練的過程中，看着狗隻由最初帶點傻氣、對環境仍然陌生，逐漸建立自信，並能夠穩定地回應各種提示與要求，令我獲得極大的成功感與滿足感。尤為令我感到欣慰的是，我所訓練過的狗隻——Comfy、Dolce、Elly、Bryan、Fairy 及 Ice——均順利完成訓練並成功畢業，日後能夠成為視障人士可靠而忠誠的夥伴。目前，我正訓練一隻 labradoodle，名叫 Jason。牠的性格十分獨特，既聰明又具學習潛質，在訓練過程中展現出屬於自己的節奏與想法，為訓練工作帶來新的挑戰與啟發。儘管如此，我對 Jason 充滿信心，亦十分期待牠能在未來順利畢業，成為能夠真正幫助有需要人士的導盲犬夥伴。

經過多年的學習與努力，我於 2024 年中成功考取導盲犬訓練員資格，並於 同年年底進一步考取導師資格。回顧這段歷程，這不僅是一條專業成長的道路，更是一段充滿使命感與意義的旅程。能夠透過導盲犬服務，為視障人士及社會帶來正面的影響，我深感榮幸，亦心懷感恩。

I first encountered the Hong Kong Seeing Eye Dog Services Centre in mid-2016 at the Pet Show, where I had the privilege of meeting my mentor, Raymond, and trainer Brenda. Through them, I gained deeper insight into seeing eye dog services and learned that these dogs not only support people with visual impairment, but also play a crucial role in helping them travel independently and integrate into society.

What initially felt like simple outings with the dogs soon revealed themselves to be an essential part of their training. Seeing eye dogs must regularly experience different environments, crowds, transport systems, and sounds to build confidence, stability, and strong socialisation skills. This understanding strengthened my desire to become a seeing eye dog trainer.

I began volunteering at the Centre, gaining hands-on experience, and later joined the organisation full-time at the end of 2017 in an administrative role. This allowed me to understand the operational effort behind the service. In 2019, I was fortunate to begin professional training under Raymond's guidance. Working with dogs of diverse personalities taught me that training requires not only technique, but also patience, attentiveness, and empathy.

Seeing each dog progress from being unfamiliar with the world to becoming confident and responsive, brought enormous satisfaction. I am especially proud that the dogs I trained—Comfy, Dolce, Elly, Bryan, Fairy, and Ice.

They successfully completed their training and became trusted partners for visually impaired users. I am currently training a labradoodle named Jason, whose unique character brings new challenges and inspiration. I am confident in his future success.

After years of learning and dedication, I obtained my qualification as a seeing eye dog trainer in mid-2024, and later that year, I earned the qualification, officially a Guide dog Mobility instructor. Looking back, this journey has been far more than a path of professional development; it has been a meaningful and purpose-driven mission. Being able to contribute to the visually impaired community and society through seeing eye dog services is an honour I deeply cherish, and one for which I am truly grateful.

自 2019 年 3 月加入香港導盲犬服務中心以來，我從一名文職背景的新同事，走到 2024 年 11 月親手從恩師 Raymond 手上接過導盲犬訓練員（GDT）及導盲犬導帥（GDMI）的證書。這段路並不輕鬆，但每一步都踏實而珍貴。今年對我而言，是人生中真正重要的里程碑。這是我第二次為年報寫下文字；上一次，我仍在摸索，而這一次，我以一名專業的 GDMI 身份回望自己的路，心中滿是感恩，也期待下一段旅程會把我帶到哪裡。

人生轉跑道的故事常常聽見，但親身走過才知道其中的重量。從辦公室走到訓練場，由坐在電腦前到每天為訓練導盲犬而走上一萬多步，無論烈日當空或大雨滂沱，都要堅持完成訓練。這條路不容易，但每一次看到犬隻進步、看到牠們準備好成為別人的眼睛、看到使用者珍惜並信任牠們，那份滿足感足以支撐所有辛苦。一路上，我遇到許多願意傾囊相授的老師，也與一班同樣熱血的訓練員並肩努力，更有許多同工與義工默默付出，讓導盲犬服務得以一步步向前。能夠到日本參與 AGBN 會議，以及參與新西蘭導盲犬學校的交流項目，更讓我大開眼界。不同文化、不同制度下的訓練方式與服務理念，都成為我成長的重要養分，為今日的專業能力奠下基礎。

展望未來，我希望繼續推動本地導盲犬服務的發展，特別是加強幼犬培育與早期社會化，並把握每一次與海外導師及專家交流的機會，讓香港的服務能持續提升。同時，我也期望能參與培訓更多新的訓練員與導師，讓這份工作得以延續下去。中心近年開始發展友伴犬及動物介入服務，這將會是另一個重要方向，讓更多不同需要的人士能從犬隻的陪伴與協助中受惠。

訓練導師分享 Seeing Eye Dog Mobility Instructor's Sharing

Since joining Hong Kong Seeing Eye Dog Services in March 2019, I have grown from a newcomer with minimal dog training background to someone who, in November 2024, received the Guide Dog Trainer (GDT) and Guide Dog Mobility Instructor (GDMI) certificates from my mentor, Raymond. The journey has not been easy, but every step has been meaningful and hard-earned. This year marks a very important milestone in my life and career. It is my second time writing for the annual report; the first time, I was still finding my footing. This time, I look back as a qualified GDMI, filled with gratitude and curiosity about where the next chapter will lead.

People often talk about changing career paths, but only by walking the path yourself do you understand its weight. I moved from office work to a role that requires walking more than ten thousand steps a day to train seeing eye dogs—under the scorching sun, in heavy rain, and through all kinds of weather. The road has been challenging, yet every moment of seeing a dog progress, seeing them ready to become someone's eyes, and seeing users cherish their seeing eye dogs makes all the effort worthwhile. Along the way, I have been fortunate to learn from many experienced instructors and to work side by side with passionate trainers. I am also grateful for the dedication of colleagues and volunteers who quietly support the service. Having the chance to attend the AGBN conference in Japan and to join the exchange programme with Blind Low Vision New Zealand broadened my horizons. Learning from different cultures and systems laid the foundation for the professional growth I have today.

Looking ahead, I hope to continue advancing seeing eye dog services in Hong Kong, especially by strengthening puppy raising and early socialisation, and by seizing opportunities to exchange knowledge with overseas instructors and experts. I also hope to contribute to training the next generation of trainers and instructors so that this meaningful work can continue. In recent years, HKSEDS has also begun developing companion dog and animal-assisted services—an important new direction that will allow even more people with different needs to benefit from the support and companionship of dogs.

我從來不知道，一道黑色的影子可以這麼輕，卻又這麼重。

Gasper 是我的四仔（第四隻導盲幼犬）

Gasper來我們家的第一天，是帶著任務的。他是一隻導盲幼犬，黑色的拉布拉多，圓潤的身子仍有帶著奶香。我們是他的中途寄養家庭，要在這一年裡，我負責教導他學習指令，社會化訓練然後，送他去成為別人的眼睛。我也教會他如何愛人、信任人。

因為他是我四個仔之中最可愛的一個！起初我很小心翼翼，怕自己太愛他，又怕自己愛得不夠。

但Gasper從來不給人猶豫的空間。他聰明得過分——Sit ,lie down 、stay，busy busy , heel, leave it .... 等指令 教兩次就會。有次我故意把零食放在他鼻子上，唸完十個數字才准吃，他竟然一動不動，只有尾巴輕輕地搖，像一面服從的小旗子。他的可愛是那種讓人措手不及的：咬著我的拖鞋滿屋跑，卻在被我發現時立刻放下，歪著頭看我，彷彿在說「我只是幫你暖暖鞋」。

真正讓我知道他是「開心果」的，是屋苑裡的大家。從管理員叔叔到遛狗認識的小朋友，Gasper記得住每一個人。

他會在我心情不好的時候，把下巴擱在我腳背上，溫熱溫熱的，一句話也不說。

有人說，導盲犬是世界上最溫柔的工作者。我想是因為牠們要先被溫柔地愛過。

當Gasper要回去學校受訓的那天。我蹲下來看著牠，牠還是一貫的天真，舔舔我的臉，以為我在跟牠玩。我忽然想起他剛來的時候，小小的、毛毛的，現在已經是個穩重的大孩子了。

我知道每隻導盲幼都是我家中的過客。他注定要去更大的地方，成為某個人的眼睛、某個人的安全、某個人的全世界。

但在我心裡，他永遠是那個在我家客廳追尾巴、那個為食而又乖乖的小寶貝。他教會我們什麼是無條件的陪伴，什麼是把愛活成日常。

Gasper啊，謝謝你來過。謝謝你用你的聰明、可愛和服從，把我們家、我們這座屋苑，變成了一個更快樂的地方。

I never expected that a small black shadow could feel so light, yet carry so much meaning. Gasper was my fourth seeing eye dog puppy. When he arrived at our home, he came with a mission. As his foster family, we were responsible for teaching him basic commands, socialisation skills, and preparing him for his future role as someone's eyes. I also hoped to teach him trust and affection.

Among the puppies I had fostered, Gasper was the most endearing. Smart and eager to learn, he mastered commands after just one or two attempts. His gentle obedience and playful personality brought endless joy—whether he was wagging patiently with a treat on his nose or dropping my slipper with a tilted head as if offering a warm excuse.

His friendliness touched everyone in our housing estate, from security staff to neighbourhood children. And whenever I felt down, he would quietly rest his chin on my feet, offering silent comfort.

People often say seeing eye dogs are the gentlest workers in the world, perhaps because they must first experience gentleness themselves.

When the day came for Gasper to return to the Centre for formal training, I saw how much he had grown—from a tiny, fluffy puppy into a steady young dog ready for his next chapter. I know every seeing eye dog puppy is only a temporary guest in our home, destined for greater responsibilities and to become someone's safety and support.

But to me, Gasper will always be the cheerful pup who chased his tail in our living room and filled our home with warmth. He taught us the meaning of unconditional companionship and how love exists in everyday moments.

Gasper, thank you for being part of our lives, and for making our home and community a happier place with your intelligence, sweetness, and devotion.

Gasper, thank you for coming into our lives. Thank you for using your intelligence, your sweetness, and your obedience to make our home—and our whole community—a happier place.

專業認同與國際交流

- 在國際層面，本中心的專業水平年內獲得高度肯定。2024年11月，我們很榮幸獲亞洲導盲犬網絡邀請，在香港舉辦年度會議。會議期間，各亞洲地區的導盲犬機構代表除了進行深入的技術交流外，更實地參觀本中心的導盲犬訓練過程。各會員機構對本中心的訓練水平給予高度評價，專業表現獲得業界認同。
- 與此同時，中心亦迎接了由國際導盲犬聯盟派出的兩位資深導盲犬導師，進行每五年一度的技術評審。兩位導師親身走訪本中心的訓練學校，與我們的使用者及訓練員深入面談，全面了解中心的訓練方法，並仔細審視各項工作是否符合國際導盲犬聯盟的嚴格標準，包括訓練標準、技巧、專業管理、使用者支援、犬隻繁殖、犬隻福利等範疇作出全面評審。最終，兩位資深導盲犬導師對中心的專業水平給予高度評價。
- 此外，中心透過國際導盲犬聯盟的Derek Freeman獎學金贊助，成功派出兩位同事遠赴紐約，專門學習犬隻人工繁殖技術。這次珍貴的海外培訓機會，讓同事們有機會觀摩頂尖的繁殖技術，並將國際級的專業知識帶回香港，為本中心推行導盲犬本地繁殖工作積累了寶貴的實戰經驗，進一步提升中心在犬隻繁殖範疇的專業水平。
- 來自這些頂尖專業組織的探訪、肯定與培訓機會，無疑是對本中心技術水平的一大認同，亦是推動我們不斷進步的動力。

Professional Recognition and International Exchanges

At the international level, our center's professional standards received high recognition during the year. In November 2024, we were honored to be entrusted by the Asia Guide Dog Breeding Network to host the annual conference in Hong Kong. During the conference, besides conducting in-depth technical exchanges, representatives from various Asian guide dog institutions also visited our center to observe the guide dog training process. Member institutions spoke highly of our training standards, with our professional performance gaining industry recognition.

Concurrently, the center welcomed two senior Guide Dog Mobility Instructors sent by the International Guide Dog Federation to conduct the technical assessment (once every five years). The two instructors personally visited our training school, held in-depth discussions with our users and trainers, comprehensively understood our training methods, and carefully examined whether our work met the strict standards of the International Guide Dog Federation. They conducted comprehensive assessments covering training standards, techniques, professional management, user support, dog breeding, and dog welfare. Ultimately, the two senior guide dog instructors gave a high evaluation of the center's professional level.

Additionally, through sponsorship from the IGDF Derek Freeman Scholarship, the center successfully sent two colleagues to New York specifically to learn canine artificial insemination techniques. This precious overseas training opportunity allowed our colleagues to observe top-tier breeding techniques and bring international professional knowledge back to Hong Kong, accumulating valuable practical experience for implementing local guide dog breeding programs and further enhancing the center's professional level in the canine breeding field.

The visits, recognition, and training opportunities from these top professional organizations undoubtedly represent significant validation of our center's technical standards and serve as motivation for our continuous progress.

在 2024 年 4 月至 10 月期間，我參與 HKSEDS 與新西蘭 Blind Low Vision NZ 的學員交流計劃，這段經歷大大拓展了我作為一名正在成長中的導盲犬訓練員的專業視野與基礎。其間，我負責訓練四隻狗——Clayton、Daisy、Belinda 和 Elliott——其中三隻成功合格成為導盲犬，另一隻則晉升為 VLAD 的輔助犬。牠們的進步與轉變，是我在當地最深刻的收穫之一。

新西蘭高度系統化、流程清晰的訓練模式，與香港節奏快速、環境密集且變化多端的城市特性形成鮮明對比。這種差異讓我更深刻理解到，在香港進行導盲犬訓練所需的靈活調適與臨場判斷的敏感度，也讓我思考如何把新西蘭的經驗轉化為適合本地的訓練方式。在返回香港前，我有機會在 BLVNZ 的不同部門工作，包括犬舍運作、繁殖工作（如配種及冷凍精子處理）、幼犬培育與早期社會化，以及新使用者課程項目。這些跨部門的學習讓我更全面理解導盲犬服務的整體運作，也讓我看到每一個環節如何互相連結、共同成就一隻導盲犬的誕生。

在工作以外，我也利用休假進行了為期十天的南島旅行，旅程令人難忘——尤其是站在白雪覆蓋的山頂上那一刻。未來，新西蘭的導盲犬導師也會來香港交流，我期待與他們一起面對香港訓練環境的挑戰，聽取他們的觀察與建議。相信這樣的雙向交流，能為香港的導盲犬服務帶來更多啟發與可能性。

New Zealand exchange sharing

From April to October 2024, I participated in the Cadet Exchange Programme between HKSEDS and Blind Low Vision NZ. This experience greatly broadened my professional foundation and perspective as a developing seeing eye dog trainer. During the programme, I was responsible for training four dogs—Clayton, Daisy, Belinda, and Elliott. Three successfully qualified as seeing eye dogs, while the remaining one progressed to become a VLAD assistance dog. Their growth and transformation were among the most rewarding parts of my time in New Zealand.

New Zealand's highly systematic and clearly structured training model stood in sharp contrast to Hong Kong's fast-paced, densely populated, and constantly changing urban environment. This difference helped me better understand the level of flexibility, situational awareness, and adaptability required when training seeing eye dogs in Hong Kong, and it also encouraged me to think about how to adapt New Zealand's practices to suit local needs. Before returning to Hong Kong, I had the opportunity to work across various departments at BLVNZ, including kennel operations, breeding work such as mating and frozen semen handling, puppy raising and early socialisation, as well as new client training programmes. These cross-departmental experiences gave me a more holistic understanding of how each part of the seeing eye dog service connects and contributes to the development of a fully trained seeing eye dog.

Outside of work, I also took a ten-day trip to the South Island during my leave. The journey was unforgettable—especially the moment I stood at the top of a snow mountain. Looking ahead, instructors from BLVNZ will also be visiting Hong Kong for further exchange. I look forward to facing the challenges of Hong Kong's training environment together with them and hearing their observations and insights. I believe this kind of two-way exchange will bring new inspiration and possibilities to the development of seeing eye dog services in Hong Kong.

Meicy Choi

2017年起，我成為HKSeds的puppy walker，協助早期犬隻社會化與日常照護；2018年加入HKSeds成為正式員工，持續參與導盲犬繁育與養護工作。自2021年起，我主要負責照顧G、I、J、L胎之導盲幼犬，負責項目包括日常照護、健康觀察、行為評估與系統化的社會化訓練。同時，我亦具備接送及處理進口外國導盲犬的實務經驗，熟悉運輸流程與跨國接收程序。2024年3月，我有幸受派至美國Guiding Eyes for the Blind (GEB)參與德里克·弗里蒙獎學金繁殖交流計畫，實地學習先進的繁殖方法、犬舍管理與健康監測流程，並與國際繁殖專業人士交流經驗。這些經歷不僅強化了我的專業技能，亦促進我在繁育管理、幼犬發展與跨機構合作方面的能力，對提升本機構導盲犬的品質與服務成效具有重要助益。

IGDF Derek Freeman Scholarship-GEB exchange sharing

Beginning in 2017, I served as a puppy walker for HKSEDS, assisting with early socialization and routine care. In 2018 I joined HKSEDS as a staff member and continued to participate in breeding, rearing, and companion dog care programs. From 2021 onward, I have been primarily responsible for caring for guide dog litters G, I, J, and L, overseeing daily care, health monitoring, behavioral assessment, and structured socialization training. I also have practical experience in receiving and transporting imported guide dogs, familiar with international intake and transfer procedures. In March 2024, I was fortunate to attend the Derek Freemon Scholarship Breeding Exchange Program at Guiding Eyes for the Blind (GEB) in New York, where I received hands-on training in advanced breeding techniques, kennel operations, and health screening protocols, and engaged in technical exchanges with international breeding professionals. These experiences have strengthened my technical competencies in breeding management, puppy development, and inter-organizational collaboration, contributing to the improvement of our guide dog quality and service delivery.

年度發展及展望

- 在2024至2025年度，香港導盲犬服務中心秉持服務社群的理念，積極拓展多元化的服務範疇，並獲得社會各界的鼎力支持，令機構的服務得以持續發展。
- 年內，我們再度與粉嶺哥爾夫球會合作，成功舉辦慈善哥爾夫球比賽。活動不僅獲得球會的全力支持，更籌得約40萬港元的善款。是次活動除了為機構帶來重要的收入外，更意外地促成了美好的生命連繫——中心犬隻透過這次活動，成功尋找到合適的領養家庭，開展幸福新生活。
- 在硬件配套上，我們有幸獲得善長的慷慨捐贈，購置了一整套先進的冷凍精子庫設備。同時，衷心感謝海洋公園提供專業的技術支援，令本中心在導盲犬的繁殖與基因保存工作上邁進一大步，為未來優良品種的延續奠定堅實基礎。

- For 2024-2025 fiscal year, the Hong Kong Seeing Eye Fog Services adhered to its mission and vision of serving the community, actively expanding its diverse range of services. With the tremendous support from various sectors of society, the organization's services were able to achieve sustainable development.
- During the year, we once again collaborated with the Fanling Golf Club to successfully host a charity golf tournament. The event not only received full support from the club but also raised approximately HK$400,000 in donations. Besides bringing significant income to the organization, the event unexpectedly fostered beautiful connections—dogs from our center found suitable adoptive families through this activity, starting their happy new lives.
- We were fortunate to receive generous donations from a benefactor, which enabled the purchase of a complete set of advanced frozen semen bank. We also sincerely thank Ocean Park for providing professional technical support, allowing our center to take a significant step forward in guide dog breeding and genetic preservation, laying a solid foundation for the continuation of excellent breeds in the future.

Annual Development and Outlook

困難挑戰及機遇

過去一年，我們在面對挑戰的同時，亦迎來了多個重要的發展機遇。其中，友伴犬計劃的深化推行，成為年度服務亮點。兩隻優秀的輔助治療犬分別長駐於屯門的迎進生活及明愛李嘉誠護老院，為院友提供恆常的情緒支援。

我們特別感謝樹仁大學的義務協助，為此計劃進行了為期六個月的成效研究。研究結果令人鼓舞：在輔助治療犬進駐前，約有38%的院舍長者表示受抑鬱、焦慮或孤獨感等情緒問題困擾；而在計劃推行六個月後，相關指數顯著下降至17%。這項數據充分印證了輔助犬服務在改善長者情緒健康方面的顯著成效，為我們日後拓展相關服務注下強心針。憑藉此良好基礎，中心其後獲得陶哲甫基金及和悅會基金的支持，得以展開一個為期一年的友伴犬探訪計劃，將溫暖帶給更多有需要的人。

此外，中心亦積極推動公眾教育，與中華基督教會香港青年會合辦犬隻培訓課程。我們運用中心的專業犬隻訓練技術，為公眾提供正向的犬隻訓練知識，同時推廣愛護動物的訊息，課程反應非常理想，達致公眾教育的預期目標。

Challenges and Opportunities

Over the past year, while facing challenges, we also encountered several important development opportunities. Among these, the deepening implementation of the Companion Dog Program became a highlight of our annual services. Two outstanding assistance therapy dogs were stationed long-term at Tuen Mun, providing regular emotional support to the residents.

We extend special thanks to Shue Yan University for their pro bono assistance in conducting a six-month effectiveness study on this program. The research results were encouraging: before the assistance therapy dogs were stationed, approximately 38% of the elderly in the elderly homes showed emotional health issues such as depression, anxiety, or loneliness; six months after program implementation, this indicator significantly dropped to 17%. This data fully confirms the remarkable effectiveness of assistance dog services in improving the emotional well-being of the elderly, providing a strong impetus for us to expand related services in the future. Building on this solid foundation, the center subsequently received support from the C F & Nancy Tao Foundation and the Woopie Foundation, enabling the launch of a one-year Companion Dog Visiting Program to bring warmth to more people in need.

Furthermore, the center actively promoted public education by co-organizing dog training courses with the Chinese YMCA of Hong Kong. Utilizing our professional dog training expertise, we provided the public with knowledge on positive and force free dog training while promoting animal care messages. The courses received an excellent response, achieving the intended goals of public education.

未來展望 Future Outlook

展望未來，本中心將繼續以導盲犬服務為核心，為視障人士提供專業可靠的支援。與此同時，我們將積極發展輔助犬服務，將牠們的治癒力量帶給更多有需要的群體，包括長者及特殊需要人士。我們深信，透過持續拓展服務層面，定能為社會創造最大的效益，讓更多生命因狗狗的陪伴而變得溫暖豐盛。

Looking ahead, our center will continue to focus on guide dog services as our core mission, providing professional and reliable support for visually impaired individuals. Concurrently, we will actively develop assistance dog services, bringing their healing power to more groups in need, including the elderly and people with special needs. We firmly believe that through continuously expanding our service scope, we can create maximum social benefits and enrich more lives with the warm companionship of our dogs.

同事的耕耘與成長
Colleagues' Dedication and Growth

最後，我們懷着無比感恩的心，見證中心兩位同事的成長。他們經過數年的默默耕耘與堅持，在機構內由見習訓練員開始，逐步通過嚴格考核，終告正式晉身成為合資格的導盲犬導師。這份成果得來不易，當中的艱辛與付出，實在不為外人道。

作為機構，能夠陪伴及見證兩位同事走過這段專業成長之路，為他們提供培訓與發展的機會，我們感到莫大的欣慰與驕傲。他們的成功，不僅是個人的成就，更象徵着導盲犬運動在香港的薪火相傳。在此，我們亦要再次感謝社會各界一直以來的支持，讓中心能夠持續培育本地專才，為導盲犬及輔助犬服務的未來注入源源不絕的動力。

Finally, we witness with immense gratitude the growth of two colleagues at our center. After several years of silent dedication and persistence, starting as apprentice trainers within the organization and progressively passing rigorous assessments, they have finally officially qualified as certified GDMI (Guide Dog Mobility Instructor). This achievement was not easily won, and the hardships and efforts involved are truly beyond words.

As an organization, being able to accompany and witness these two colleagues through this professional growth journey, providing them with training and development opportunities, fills us with great comfort and pride. Their success is not only a personal achievement but also symbolizes the passing of the torch for the guide dog movement in Hong Kong. Here, we would like to once again thank all sectors of society for their continuous support, enabling the center to sustainably cultivate local talent and inject endless momentum into the future of guide dog and assistance dog services.

同事的耕耘與成長
Colleagues' Dedication and Growth

我是香港導盲犬服務中心眾多義工中的一員，很榮幸能在這份年度報告中，與您分享我們在這個年度裡的点滴感受。

回首過去一年，最令我動容的，是看見一個個毛茸茸的小生命，如何在充滿愛的環境中茁壯成長。我們當中有許多熱心市民，擔當著「寄養家庭」的重要角色。這些家庭把剛出生不久的幼犬帶回家中，像照顧自己的孩子般，給予牠們無微不至的關懷。您可知道？要成就一頭優秀的導盲犬或溫暖人心的友伴犬，最重要的第一步，就是在幼犬時期讓牠們習慣與人親近、感受人類的愛。正是在這些寄養家庭裡，狗狗們第一次體會到何謂擁抱，何謂家的溫暖，自然地在日常相處中養成溫馴的個性，熟悉人類生活的點點滴滴。

今年，我們欣喜地見證多位寄養家庭義工的無私付出，獲得了社會的肯定。他們參與由民政及青年事務局與義務工作發展局合辦的「香港義工獎2025」，並憑藉卓越的服務時數與貢獻，通過嚴格評審，榮獲「最高義工時數獎」。這份榮譽，不單是對他們個人的表彰，更是對中心整個義工團隊多年來默默耕耘的一份認同。

除了寄養家庭，我們還有更多來自各行各業的義工朋友，以不同方式守護著中心的使命。在籌款活動中，他們汗水淋漓地搬運物資、向市民講解我們的工作；在我們需要宣傳品時，有擅長美術設計的義工二話不說，為我們設計出觸動人心的作品；在犬舍裡，總有一群不怕髒、不怕累的身影，默默整理環境、協助照顧狗狗，確保每一頭犬隻有最舒適的生活空間。

讓我尤其難忘的，是暑假期間的一幕。來自北區小學的家長們，帶同孩子們來到學校，頂著烈日，彎著腰，為我們清理草地上的雜草、整理植物。大人小孩一同蹲在地上，汗水滴在泥土上，臉上卻掛著滿足的笑容。那份樸實的付出，那份跨越年齡的愛心，深深地感動了我們每一個人。這正是我們一直相信的——善良與關懷，是可以代代相傳的。

在此，我謹代表所有受惠於這些服務的朋友，向每一位義工致以最誠摯的感謝。是你們用時間、心血和無盡的愛，讓這個社會變得更溫暖。未來的日子，讓我們繼續攜手，用行動為視障朋友和有需要的人士，點亮更多希望之光。

義工的話 Volunteer affairs

As one of the many volunteers at the Hong Kong Guide Dogs Service Centre, I am honoured to share some reflections from the past year.

What moved me most was watching each puppy grow in a loving environment. Many caring citizens served as "puppy raisers," taking young dogs into their homes and nurturing them with patience and affection. This early stage is crucial—before a dog can become an excellent guide dog or companion dog, it must first learn to trust people and experience human warmth. In these foster homes, the puppies discover what it means to be held, to feel at home, and to become gentle, well-socialised companions.
This year, we were delighted that several of our puppy-raiser volunteers received public recognition through the "Hong Kong Volunteer Award 2025," jointly organised by the Home and Youth Affairs Bureau and the Agency for Volunteer Service. Their "Highest Volunteer Hours Award" reflects not only individual dedication, but also the longstanding commitment of our entire volunteer team.

Beyond puppy raisers, volunteers from all backgrounds helped uphold our mission—whether assisting at fundraising events, designing promotional materials, or supporting kennel operations to ensure a clean and comfortable environment for every dog.

A moment that stayed with me occurred during the summer, when parents and children from a Northern District primary school spent an afternoon clearing weeds and tending plants under the hot sun. Despite the heat, their faces were full of joy. Their simple act of kindness, shared across generations, deeply touched us and reminded us that compassion can indeed be passed on.

On behalf of all who have benefited from the Centre's services, I extend my heartfelt thanks to every volunteer. Your time, effort, and kindness make our community warmer. Let us continue working together to bring hope and support to people with visual impairment and others in need.

公眾教育Public education

在香港，導盲犬服務是協助視障人士獨立出行的重要選擇之一。然而，根據統計，全港使用導盲犬的視障朋友估計不足50人。這意味著，除非身處他們的生活或工作地帶，大多數市民鮮有機會在公共場所與導盲犬相遇。正因如此，導盲犬服務對普羅大眾而言，往往是一個陌生甚至帶有誤解的領域。

我們深信，真正的傷健共融，建基於相互理解與尊重。當市民大眾對導盲犬缺乏認識，使用導盲犬的視障朋友在出入餐廳、乘搭公共交通工具時，便可能遇到不必要的誤會甚至被拒諸門外。這不但影響他們的日常生活，更與我們追求的共融社會背道而馳。有見及此，本中心一直將公眾教育視為核心服務之一，致力讓更多市民認識導盲犬的職能、牠們與視障伙伴的關係，以及如何與工作中的導盲犬恰當地相處。

在服務安排上，我們堅持一個原則：導盲犬公眾教育對於視障朋友本人、其家人以及視障服務機構，均是費用全免的。我們希望消除任何經濟門檻，讓有需要的人士能夠無障礙地獲得相關資訊。然而，機構的營運需要資源支持——培訓導盲犬、訓練員的薪酬、設施的維護，每一項都涉及實質開支。因此，對於其他使用這項服務的人士、機構、學校或企業，我們需要收取合理的費用，以確保這項教育工作能夠持續推展。這是一個現實的考慮，也是對機構可持續發展負責任的安排。

回顧2024-25年度，我們在各界的支持下，展開了多層面的公眾教育活動，接觸不同階層的市民：

- 我們舉辦了50場導盲犬講座，對象涵蓋學生、老師、家長、各行各業的從業員以至公務員等，受惠人數約5,000人。透過講座，參與者得以了解導盲犬的培育過程、與視障人士的伙伴關係，以及在公共場所應如何配合。
- 我們設立了30場街站、展覽及各類推廣活動，走進社區與市民直接互動。這些活動接觸人數超過20,000人，讓更多市民在日常生活中獲得認識導盲犬服務的機會。
- 我們安排了32場導賞團，讓超過1,000位參加者親身來到中心，近距離觀察導盲犬的訓練環境，並與訓練員交流，加深對服務的理解。

這些數字背後，是我們對社會溝通的一份堅持。每一場講座、每一次街站、每一團導賞，都是一次播種的機會——讓市民從陌生走向認識，從認識走向理解，從理解走向接納。

我們明白，公眾教育是一條漫長的路。但我們相信，每一次用心的講解，每一個真誠的交流，都能為視障朋友日後的出行減少一分障礙，增添一分方便。未來，我們會繼續以謙卑的態度，與社會各界攜手，推動一個更友善、更共融的香港。

公眾教育Public education

In Hong Kong, guide dogs play an important role in helping people with visual impairment travel independently. Yet, with fewer than 50 guide dog users citywide, most citizens seldom encounter guide dogs in public. As a result, guide dog services often remain unfamiliar to the public, sometimes leading to misunderstandings.

We believe true inclusion is built on understanding and respect. When awareness is lacking, guide dog users may face unnecessary obstacles—such as being questioned or denied entry at restaurants or on public transport. This not only affects their daily lives but also contradicts our vision of an inclusive society. Therefore, public education has always been one of our core services. We aim to help citizens understand the functions of guide dogs, their partnership with visually impaired users, and the proper way to interact with a working guide dog.

We adhere to one principle: our guide dog education services are completely free for visually impaired individuals, their families, and related service organizations. We want information to be fully accessible without financial barriers. However, operating the programme requires resources—from guide dog training to instructors' salaries and facility upkeep. To remain sustainable, we charge reasonable fees to other users, including schools, corporations, and community groups.

In 2024–25, with strong support from various sectors, we delivered wide-ranging public education initiatives:

- 50 guide dog seminars, reaching 5,000 participants including students, teachers, parents, professionals, and civil servants.
- 30 community booths, exhibitions, and promotional activities, engaging over 20,000 citizens.
- 32 guided tours, welcoming more than 1,000 visitors to experience our centre and learn directly from instructors.

These numbers reflect our commitment to ongoing dialogue. Each seminar, booth, and tour is an opportunity to help the public move from unfamiliarity to understanding, and ultimately to acceptance.

We recognize that public education is a long journey. Yet we believe that every sincere interaction reduces barriers for visually impaired individuals and brings us closer to a more inclusive Hong Kong. We will continue working hand-in-hand with the community to build a friendlier and more understanding society.
